Medicare Assignment Form: Section 20A of the *Health Insurance Act* 1973. I offer to assign my right to benefits to the approved pathology practitioner who will render the requested pathology service(s) and any eligible pathologist determinable service(s) established as necessary by the practitioner. **Medicare Patient Choice Advisory Statement:** Your doctor has recommended that you use the Australian Red Cross Blood Service. You are free to choose your own pathology provider. However, if your doctor has specified a particular pathologist on clinical grounds, a Medicare rebate will only be payable if that pathologist performs the service. You should discuss this with your doctor.
